RE: Freedom of Information Act

Mr. Hoffman:

I have received your FOIA request post marked 06-01-2007 along with your good faith deposit of \$216.00 (money order) today 06-05-2007.

This is to inform you that we will honor your request of information from 01-01-2005 through 04-30-2007. However, as previously stated, these records you are requesting are in dead files that are not filed by name. These files are simply filed by day and month accordingly and this will be a random search as noted on my FOIA response dated 04-12-2007.

I will make every effort to comply with your FOIA request in a timely fashion; however, I am the one who will be searching for the information you have requested. Because of the size of this department and the current work-load, the information will be gathered when feasible.

When portions of information becomes available through my search, I will make every effort to forward it on to you. Still be advised, I will Enforce (MCL780.769) Crimes Victim Rights and Section 13 of the Act is not violated: 2(b) Deprive a person the right to a fair trial.

You have requested a break down of charges:  
20 hours @ \$20.00 - \$400.00  
copies, mail, misc. + \$32.00

Sincerely,

Terrence (Terry) MacKillop, Director  
Roscommon County Animal Control & Shelter
